

# Spotlight your building's commitment to help residents live more sustainably!

New Moon Refillery delivers zero waste products and refills to make sustainable living easy.

## WHAT'S IN IT FOR YOU

### Attract potential tenants with an eco-friendly, local partnership

Providing unique perks to tenants gives you a competitive edge in the rental market.

### Add perceived value to your complex at no cost to you

Eco-friendly amenities can be costly to implement & maintain. We help you offer your residents convenient, affordable access to zero waste products without spending a dime!

### Receive data about your building's impact

We will prove you with data about emissions reduced and plastic bottles diverted through your tenants' orders.

## PERKS FOR YOUR RESIDENTS

### Eco-friendly habits made easy

We make it easy for residents who have busy schedules, accessibility barriers, or need a more convenient solution!

### 10% off every order

We offer a 10% discount on every tenant order.

### Terracycle Zero Waste Box

We provide a recycling box for hard-to-recycle items that you can place in your lobby or community space (\$90+ value).

### Regularly scheduled drop-offs

With a frequency of your choosing, your tenants can be sure their household and personal care products arrive when they need them.

## How It Works

- 1 Choose your delivery frequency
- 2 Send our sign-up form to your residents (we'll take it from here!)
- 3 Residents order online
- 4 We deliver consistently!
