

# Spotlight your company's commitment to help employees live more sustainably!

New Moon Refillery delivers zero waste products and refills to make sustainable living easy.

## WHAT'S IN IT FOR YOU

### Receive data about your company's impact

We will prove you with data about emissions reduced and plastic bottles diverted through your employees' orders.

### Foster an eco-friendly office environment at no cost to you

Encourage employees to implement environmentally-conscious practices by providing them with a more convenient way to do so - without spending a dime.

### Attract potential employees with a sustainable, local partnership

Providing unique perks to employees gives you an edge in the job market.

## PERKS FOR YOUR EMPLOYEES

### Eco-friendly habits made easy

We make it easy for employees who have busy schedules, accessibility barriers, or need a more convenient solution!

### 10% off every order

We offer a 10% discount on every employee order.

### Terracycle Zero Waste Box

We provide a recycling box for hard-to-recycle items that you can put in your break room or shared space (\$90+ value).

### Regularly scheduled drop-offs

With a frequency of your choosing, your employees can be sure their household and personal care products arrive when they need them.

## How It Works

- 1 Choose your delivery frequency
- 2 Send our sign-up form to your employees (we'll take it from here!)
- 3 Employees order online
- 4 We deliver consistently!
